

Do it Yourself 360 - Prework

Instructions: Ask three people these questions and note highlights from their responses. You can ask colleagues, your direct reports, and/or your leader.

	Person 1	Person 2	Person 3
When you think of me in a leadership role (at work, as a community volunteer etc.) what three words come to your mind to describe me?			
What is one thing that you notice about me that might be holding me back from being effective?			
What is one way/reason that I make our team and organization a better place?

Foundational Leadership Skills

Our leadership model is designed to equip emerging and mid-level leaders with the foundational leadership skills and tools to lead themselves, their teams, and the organization effectively. At the foundation are 3 essential leadership practices: reflection, listening, and learning. Self Leadership is the foundation that People & Team Leadership Skills and Organization Leadership skills can be built on.

Notes:

Aligning Time with Priorities

There are 3 elements to consider when you want to align your time with your priorities.

Your **beliefs** drive your actions and your **skills** equip you with the ability to employ effective **tactics**.

Tactics	Time blocking tasks, whitespace, & reflection Use of tools to manage distractions Scheduling tools & systems Energy management Setting Boundaries/Saying No
Skills	Delegation Communication Tech-Savviness Ability to Focus Ability to Prioritize Ability to Estimate Self-Awareness of Strengths/Challenges Reflection Habits
Beliefs	Reflection - the value you place on it Agency - your sense of who has ultimate control of your time Monochronic vs. Polychronic
